

Passionate About Inspiring Others

Manly Combined Clubs encourages all boat owners an opportunity to participate and up skill their confidence and boat handling. For this reason, we have introduced a "Rally Start" for novice skippers to build confidence which means new entrants can start 10 minutes after the start and not be given a penalty.

Listening too, we encourage everyone to have a go...

This year encouraging, She Sails with promoting Female participation in our sport.

All new crew to become involved in MBTBC.
