

Manly Combined Clubs Series 2021

AMENDMENT TO SAILING INSTRUCTIONS - Notice No. 1

Please note that the Start Times for competing boats in MCC Race 4 this Sunday 16th May 2021 will be as follows -

Trailer Sailer Division

Warning Signal - not before 10:25am

Start Time 10:30am

Performance 2 Division & Cruising Division

Warning Signal - not before 10:35am

Start Time 10:40am

Performance 1 Division

Warning Signal - not before 10:45am

Start Time 10:50am

Multihull Division

Warning Signal - not before 10:55am

Start Time 11:00am

These changes are an attempt to - reduce the numbers of boats on the start line for any one start, improving safety, allowing different length courses to be set specifically for different boat sizes / divisions and to help assist getting all boats across the finish line together so that we can all enjoy the sausage sizzle and sailing stories at results presentation in the afternoon at MBTBC.

NOTE - if this change does not work out for various reasons the MCC Sailing Committee will review and possibly make changes in another Notice to Sailing Instructions.

Good luck on the weekend and happy sailing

Regards,

MCC Sailing Committee
